Dear Lee Carlson,

Thank you for electing to have your SAE Membership renewed automatically each year. We appreciate you choosing this option as it helps reduce costs while being environmentally friendly.

This is to notify you that your credit card will be charged \$120.00 at the end of this month. Go to the Membership web page www.sae.org/membership to review the professional membership benefits.

Members whose dues are renewed via our Automatic Renewal method are required to update and/or confirm that the information in their membership record is current each year. Please check that your addresses, automatic renewal, and business information are correct, and if not, make the necessary changes. Record verification can be done online through your mySAE page or by contacting SAE Customer Service.

While online, consider making a gift to the SAE Foundation. You may direct your gift toward one of the specific educational programs or scholarships the SAE Foundation supports. All contributions made to the SAE Foundation are tax deductible. Visit the SAE Foundation web page www.sae.foundation.org/individual for further program information and to make your donation to support the next generation and future of our industry!
