

Peregrine: We've Been Busy since the Last AEA Meeting

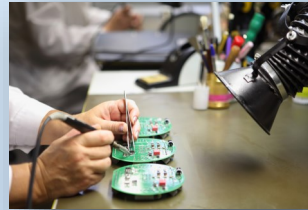

We've been working toward our
FAA Organization Designation
Authorization (ODA)

We've completed Cockpit Upgrade,
Aircraft Systems and
COVID-19
disinfection STCs

Over 10 Years of Experience

- FAA, EASA, AFAC, ANAC, Transport Canada and others
- Part 23, 25, 27 and 29
- STC/TC, AML STC, PMA

We have additional manufacturing
capability from our acquisition of the
assets of AirMods, LLC. We now have
the capability for PMA and STC
installation kit production. With 3D
Printing and electronic assembly, our
expanded capability is ready to
simplify your STC project
requirements.

Peregrine: Complete Certification and Engineering Support

Since the last AEA Meeting, Peregrine has:

COVID 19 cabin contamination elimination using Aviation Clean Air needlepoint ionization technology

Bombardier CL600 family retrofit

Gulfstream GIV/GIV-SP retrofit

Citation 560XL retrofit

Full glass cockpit upgrade

ST00895DE— EMB-120 using Garmin G700 avionics

Connectivity Systems

ST01053DE—Gogo L3 AVANCE for PC-12

Cockpit Voice and Image Recorder STC for Part 25

ICAO and AFAC compliant recorder installation

Other Aircraft Systems

ST01075DE—G150 flap/slat actuator heater

ST01035DE—Hawker 4000 Aft compartment blower reliability improvement

The Peregrine ODA will give you a quick, focused facility to streamline your STC

process; no waiting for FAA workload issues or availability

Get Update

Peregrine is your **one-stop resource** for engineering, certification and delivery of your entire STC package.

The image is a promotional graphic for the Organization Designation Authority (ODA). It features a circular logo on the left with a gear and a compass rose, surrounded by the text 'Organization Designation Authority' and 'ODA'. To the right of the logo is a block of text: 'Keep track of our ODA progress!', 'Your one-stop source for aircraft engineering and certification'. Further right is a QR code with a white background and a black border. Below the QR code is the text 'Get Update' in a cursive font. A black arrow points from the text area towards the QR code.
