hal.adams@AviaGlobalGroup.com

Hal Adams has over 40 years of civil and military aerospace experience. He is the Managing Director & Co-Founder of Aero Business Development LLC (ABD),

specializing in business development and strategies support, with emphasis in avionics.

In 2008, Adams partnered with Accord Software & Systems to found Accord Technology, a leading supplier of Global Navigation Satellite Systems solutions. As COO of Accord Technology, Adams was responsible for the creation, start up and day-to-day operations, during which Accord Technology achieved FAA approval for the industry's first advanced GPS sensors used in ADS-B and precision approaches.

Lee Carlson

Marketing & Sales Lead

Grand Rapids, MI

lee.carlson@AviaGlobalGroup.com

Lee Carlson is Co-Founder, Managing Partner, ADS-B Global, LLC, and a recognized leading avionics knowledge provider, helping clients in understanding, implementing and preparing for worldwide air traffic modernization.

Mr. Carlson brings product development, sales, marketing and technical expertise to AviaGlobal Group. With a strong, customer-centric focus on market analysis and product conceptualization, Carlson draws on his background with L3 Technologies, Smiths Aerospace (now GE Aviation) and The Boeing Company where his career has included roles in sales, marketing, project management, alliance management and engineering.

Forrest Colliver

Co-Founder & Managing Member
Solutions Lead

Toulouse, France

forrest.colliver@AviaGlobalGroup.com

Forrest Colliver is President & Founder of AeroNextGen Solutions SAS, a leading source

of subject-matter expertise in airborne and ground-based communication, navigation & surveillance systems and operational aspects of global ATC modernization programs. He brings to AviaGlobal Group a broad background in the application of technology, strategic planning, program management and business development disciplines to the deployment of avionics and air traffic management systems.

Mr. Colliver's career in aerospace spans more than 30 years, having lived and worked in both the US and the European Union. His success in solution-oriented business development derives from application of his strong engineering core capability with his extensive business background to focus on taking ideas from conception to implementation. Mr. Colliver combines personal dedication with team focus to produce the desired operational result.

Manned & Unmanned, Civil & Military Aerospace Business Expertise

Whether your growth strategies include product development, market expansion, merger and acquisitions, organic growth web development or outsourced expertise, let AviaGlobal Group advantage help focus your organization's roadmap for success.

From product and market development, business and operational analysis to online presence and awareness, AviaGlobal Group provides unique expertise to the aerospace industry. The principal leaders are a team of seasoned professionals with demonstrably successful track records, including engineering, sales and marketing, M&A, business and operational development and corporate level executive insight. Collectively, the principals leverage their professional networks and knowledge base, providing added value and depth as needed for solutions to client challenges. AviaGlobal Group offers affordable, exceptional, insight through partnership in developing and enhancing your products and realizing your business' potential.

In-depth experience combined with proprietary tools and data, AviaGlobal Group will help you evaluate fleet and market potential for your business roadmap and product line. AviaGlobal Group's "Innovation Roundtable" on-site seminars facilitates discovery, developing product ideas from your own talent pool or revitalization of legacy solutions. We offer decision point structure creation and execution, product business case support; and we provide guidance enabling effective program management and product development structures; all designed to support your business growth objectives. AviaGlobal Group's breadth of experience can also help refine Bid / No Bid decision-making.
