## Experience, Agility, Global Coverage

### Hal Adams

Co-Founder, Managing Member  
Development Lead  
Phoenix, AZ

hal.adams@AviaGlobalGroup.com

Hal Adams has over 40 years of civil and military aerospace experience. He is the Managing Director & Co-Founder of Aero Business Development LLC, specializing in

business development and strategies support, with emphasis in avionics.

Adams brings experience gained in senior positions at Northwest Airlines, Lockheed Aeronautical, Northrop Grumman, Collins Aerospace, Thales SA and L3Harris. In 2008, Adams partnered with Accord Software & Systems to found Accord Technology, a leading supplier of Global Navigation Satellite Systems solutions. As COO of Accord Technology, Adams was responsible for the creation, start up and day-to-day operations, during which Accord Technology achieved FAA approval for the industry's first advanced GPS sensors used in ADS-B and precision approaches.

### Lee Carlson

Co-Founder & Managing Member  
Marketing & Sales Lead  
Grand Rapids, MI

lee.carlson@AviaGlobalGroup.com

Lee Carlson is Co-Founder, Managing Partner, ADS-B Global, LLC, and a recognized leading avionics knowledge provider, helping clients in understanding, implementing and preparing for worldwide air traffic modernization.

Mr. Carlson brings product development, sales, marketing and technical expertise to AviaGlobal Group. With a strong, customer-centric focus on market analysis and product conceptualization, Carlson draws on his background with L3Harris, Smiths Aerospace (now GE Aviation) and Boeing where his career has included roles in product development, sales, marketing, project management, alliance management and engineering.

### Forrest Colliver

Co-Founder & Managing Member  
Solutions Lead  
Toulouse, France

forrest.colliver@AviaGlobalGroup.com

Forrest Colliver is President & Founder of AeroNextGen Solutions SAS, a leading source of subject-matter expertise in airborne and ground-based communication, navigation & surveillance systems and operational aspects of global ATC modernization programs. He brings to AviaGlobal Group a broad background in the application of technology, strategic planning, program management and business development disciplines to the deployment of avionics and air traffic management systems.

Mr. Colliver's career in aerospace spans more than 30 years, having lived and worked in both the US and the European Union. His success in solution-oriented business development derives from application of his strong engineering core capability with his extensive business background to focus on taking ideas from conception to implementation. Mr. Colliver combines personal dedication with team focus to produce the desired operational result.
